Pastor Glen Kline

When the Lord speaks, do you listen or do you interpret?

Do you try and fit what he says into your understanding, Or you do you look for his understanding. The Lord would say today, find My understanding. Seek that wisdom that I have. Find that way to know what I am saying to you. For in this day, says Lord, a new understanding, a new way. Different from how you've understood before.

For the Lord would say, I'm pouring out a wisdom upon this land. The earth is changing, and the wisdom is necessary. So know this, says the Lord. There is a new way that is coming. A way that removes boundaries. A way that removes division. A way that causes focus to be on heaven and not on earth. Father, we thank you today for that new way.

Give us wisdom, Lord. Give us wisdom. Not to interpret according to our desires, but rather, Father, to walk in the wisdom that you are offering. Our way forward Father, is not backwards, but forwards. We're not moving backwards to a time that once was. We're moving forward to a time that now is. And we thank you, Lord God, that we will have the wisdom and understanding to be your mouthpieces, to be your hands and feet in a world that's looking for stability, safety and strength, and that they may find it in you.

Lord, we thank you for your revival hitting nations. Lord God, nations who do not know You. People who have believed a lie and now find the truth in a Living Person. Thank you Lord God, for what you're doing. Changing nations, Lord God, changing nations in Jesus name, Amen.
