

WORD given at New Life Christian Center

April 19th, 2026

Pastor Tracy Kline

Oh my children. Open the eyes of your heart. I speak to you from spirit to spirit, and I speak to you in your heart. I have given you everything, everything that you need. Now open your heart. Open your heart and listen. Listen to what I would say to you. Walk in the freedom. Come knowing that My kingdom is different than this world's kingdom.

You have a choice. You have a choice. Which kingdom do you want to live from? If you want to live from the world's kingdom, you can live from the world's kingdom. But that's not how I designed you to live. I designed and planned and purposed for you to live for my kingdom, and to live for my kingdom is to open your heart and to listen to what I say to your heart.

Listen to what I say. Don't go away saying, oh yes, I know, I know, I know, but it doesn't work. I know, I know, I know, you don't know. Listen with your heart. Listen with your heart. Receive with your open heart. Today. Let the word come in and richly be planted in your heart. Consider what I'm saying to you today.

Don't just consider, but know that whatever you consider, you meditate upon, you think about it right? What are you considering? Are you considering my ways? Are you considering my kingdom? Are you considering my truth? See, my child, consider. And as you consider it, you have to meditate upon it. That means think about it. That means come and talk to me about it.

Ask me questions, ask to understand. What am I saying to you? What did I plan for you? What do I have for you? Did you know that as you meditate, pretty soon you get the picture in your heart. You can see it in your heart. Do you? Do you see what you consider when you worry? You consider what the world has.

You've considered it, you've meditated on it, and now you have a picture of how bad the world is, how bad your circumstances are. That's the process. Which kingdom do you want to live from? I've given you the choice. Yes, you can be saved. You can come and live with Me forever in heaven and still consider the world's ways.

But I've called you out of the world's ways. I've called you into My kingdom. You can live in My kingdom. My plan and My purpose is for you to live in My kingdom. What are you going to consider? What are you going to consider on Monday? What are you going to consider on Tuesday? It's your choice. It's your choice.
