

**PROHETIC WORD GIVEN AT NEW LIFE CHRISTIAN CENTER
APRIL 21st, 2024**

In a day when temperatures can be low, go to high, go back to low. We see that the world is convulsing under the pressure of the power of sin. We see that God Himself is at work in people's hearts. So pray into that, my children. Press into what My word says, and you will see that what I am doing behind the scenes is more powerful than what you perceive happening in front of your eyes.

That you will see what's happening behind the scenes is setting the stage for what My word says is to come. So do not be fearful. Do not allow your heart to be troubled. Only believe and see what I am doing behind the scenes, says the Lord. Amen. Amen.
